**SUBJECT:**

Docket No. 1997-439-T – Application of John P. McClain d/b/a Island Moving & Storage for a Class E (Household Goods) Certificate of Public Convenience and Necessity (District 6) – Discuss with the Commission a Renewed Motion for Immediate Suspension of Certificate of Public Convenience and Necessity Filed by Nanette S. Edwards, Esquire, on Behalf of the Office of Regulatory Staff.

**COMMISSION ACTION:**

Mr. Chairman, at the two previous Commission meetings, this Commission denied requests of Office of Regulatory Staff to immediately suspend the Certificates of carriers for lack of filing proof of insurance. These denials were based on the absence of the submission of evidence that would support a finding of an emergency pursuant to S.C. Code Ann. 1-23-370. Office of Regulatory Staff has now provided affidavits demonstrating that the insurance for the following carriers has expired. Therefore, I move that the Commission grant the requests of Office of Regulatory Staff for immediate suspension of Certificates to provide motor carriers services in Docket Nos. 1997-439-T, and 2003-126-T. These suspensions will remain in effect until a hearing is held and a final determination can be made.
